FORTY-SECOND ANNUAL REPORT
OF THE
BOARD OF MISSIONS
FOR FREEDMEN
OF THE
PRESBYTERIAN CHURCH
IN THE UNITED STATES OF AMERICA
TO THE
GENERAL ASSEMBLY
OF THE PRESBYTERIAN CHURCH
FROM MARCH 31st, 1906 TO APRIL 1st, 1907.

The Board of Missions for Freedmen respectfully presents to the General Assembly its Forty-Second Annual Report.

For the eighth time in regular succession the Board has closed its year's work without any outstanding obligations.

Last year the income from Church Collections exceeded that of the year before by fourteen hundred and seventy one dollars.

This year the income from Church Collections did not reach the amount of last year by nine hundred and sixty three dollars.

The amount received from other regular sources, including Sunday Schools, Young People's Societies and Woman's Societies was seventy-seven thousand, six hundred and forty-two dollars, being nineteen hundred and eighty-seven dollars more than the year before.

The receipts from Miscellaneous Sources, including individual gifts and interest on invested funds were twenty-two thousand, six hundred and thirteen dollars, being nine thousand, nine hundred and thirty-two dollars less than last year.

Legacies that last year amounted to twenty-six thousand, eight hundred and ninety-three dollars, dropped this year to twenty-three thousand, one hundred and sixty dollars, a difference of three thousand, seven hundred and thirty-two dollars.

The total receipts from all sources were one hundred and eighty eight thousand, nine hundred and eighty-one dollars.

This is twelve thousand, six hundred and fifty-two dollars less than last year.

An examination of the sources of our income shows that this loss of receipts lies mainly in individual gifts and legacies.

The following is a tabulated statement of our receipts for the past four years:

	1903-4	1904-5	1905-06	1906-7
Churches.....	\$62,073 13	\$65,056 68	\$66,528 62	\$65,564 92
Y. P. Societies....	731 94	466 92	499 80	481 51
Sunday Schools...	4,219 90	4,119 92	4,254 42	4,135 72
Woman's Board...	68,023 31	73,047 80	70,910 93	73,025 30
Legacies.....	19,406 07	12,800 62	26,893 15	23,160 25
Miscellaneous.....	28,560 77	34,162 27	32,546 58	22,613 66
	\$183,015 12	\$189,654 21	\$201,633 50	\$188,981 36

The number of Churches that helped us in any one way this year was 5,002, a loss of 72 as compared with last year.

The number of Churches that helped us by congregational collections was 4,189, a gain of 51 churches.

The number of Sunday Schools that contributed to the Board direct was 365, and the number contributing through the Woman's Board was 436. Making a total of 801, which was a loss of 25.

The number of Young People's Societies contributing to the Board direct was 43, and the number contributing through the Woman's Board was 947, making a total of 990, a loss of 97.

The amount of money given by the patrons and friends of our School Work, as reported this year from the field was \$57,171.64.

The amount given in Church work, including Church building, repairs, contingent expenses and Ministerial support, as reported to us by our ministers on the field, was \$48,241.20

The total amount for both Church and School work, gathered and expended on the field, and reported to the Board, but in no way going through our Treasury, or in any way included in the Treasurer's statement of receipts and expenditures, was \$105,412.84.

In addition to this, the Churches under the care of the Board gave through their Annual Congregational Collections \$760.59 to the Freedmen's Board, and to the other Boards of the Church \$1,722.34.

Adding the amounts contributed to the various Boards to the other amounts reported as raised on the field for Church and School purposes, we have a sum total of \$107,895.77 passing through the hands of our Ministers, Elders and Teachers and

expended by themselves, both directly and indirectly toward their own betterment, and toward the establishment of the Church of the living God in the world, which is the pillar and ground of Truth.

The influence of the money that is annually being expended by our Board among the Colored people of the South, together with what they expended among themselves, cannot but be for good—good for themselves, as a race, good for the people among whom they live, good for the country at large, in which, as in every other organized community of men and women, no man liveth to himself, and no man dieth to himself.

The following tabulated statement and list presents a summary of the work and institutions under our care.

On the 23d day of May, 1906, and just after we had made our last annual report to the Assembly, meeting at Des Moines, Iowa, and before the Assembly adjourned, a fire was discovered in the night in one of the upper dormitory rooms of Ingleside Seminary at Burkeville, Va., which ended in the complete destruction of the building, but we are glad to say with no loss of life. The fire occurred the night before the Commencement Exercises were to be held, marking the close of a successful year's work. With the burning of their trunks many of the students lost much of their clothing and the money with which they were expecting to purchase their railroad tickets home. The management of the roads over which they were to travel learning these facts gave orders to have the pupils carried over their lines free of charge. The building was insured and is now in process of re-erection with the hope of its being ready for occupancy by fall.

A second serious fire occurred later on, when in January of this year, Ferguson Hall of Harbison College at Abbeville, S. C., burned to the ground, and a little later in the same month two small frame dormitories in connection with Albion Academy at Franklinton, N. C., were also destroyed by fire. All of these properties were insured in the same Company, and this unusual succession of fires resulted in a readjustment of our entire insurance, at a higher rate, thus putting on the treasury of the Board an unexpected additional burden this year.

We have no reason to suppose that any of these fires were occasioned by parties unfriendly to negro education.

At Abbeville, S. C., we have had the most serious interruption to our work this year, that we have ever had in our experience. During an exciting political campaign last summer much race antagonism was engendered, out of which there arose such opposition to our work at Harbison College and such pressure brought to bear upon its President who had been the efficient head of the School for the last fourteen years, that he tendered his resignation to the Board coupled with the earnest request that it be accepted. The appointment of his successor brought out the fact that a certain element in the community was opposed to the continuance of the School. By the advice of those in the community who were friendly to us and our work, the School was closed for four months, but opened once more in February last with a greatly reduced attendance. In the midst of this trouble the burning of Ferguson Hall occurred, and it was naturally inferred at first by many, that the fire was the work of an in-

cendiary; but subsequent events, much to our relief, and much to the relief of the better element in the community, established the fact that the fire was of unintentional origin.

The School work and Church work at this place have been under our care for more than twenty-five years, with no previous objection to its character or continuance. Under the patronage of the late Mr. S. P. Harbison, for whom the school was named, the work has been added to from time to time until we now have, including a large farm, a plant that may easily be estimated at a value of \$25,000.

The \$2,500 generously contributed by Mrs. S. P. Harbison toward the building of a suitable dwelling for the President of the College, as mentioned in our last report, was being expended for the purpose for which it was given when the interruption occurred. The house was almost completed at the time, and is now being finished for future use.

We have endeavored to act wisely and patiently in dealing with this exceptional case, and are hoping the counsel of our friends, and the influence of the better element of this old and settled Christian community will prevail in securing us exemption from further interruption.

The policy of the Board has always been to carry on our work on such conservative lines as would merit the approval, rather than excite the disapproval, of the white people in the communities where we are called to labor. As a rule they that have been for us, as compared with those that have been against us, have been overwhelming in the majority.

During the past year we have completed a frame Dormitory building for girls at Oxford, N. C., in connection with our Mary Potter Memorial School, to be known as Wells' Hall, named as a tribute to the friendship and helpfulness of Miss Helen A. Wells, so long the efficient secretary of the New York Synodical, also of the Albany Presbyterial Society. The money was raised by the Woman's Societies of the Synod of New York. The building with its appointments cost \$10,000.

We have also completed a brick Dormitory building for girls, in connection with Cotton Plant Academy, at Cotton Plant, Ark., at a similar outlay of funds, also raised by the Women's Societies, through the efforts of the Woman's Department of our Board. This building is to be known as Niccolls Hall, in honor of Dr. S. J. Niccolls of St. Louis, in recognition of his special interest in our work in Arkansas.

We have in process of erection a new School building at Newnan, Ga., in connection with the McClelland Academy at that place, the amount to be expended being \$3,500. This also was raised through the Woman's Department.

The loss of a building by fire, is only a temporary check to the work, but when death comes, and calls for some of our faithful and earnest workers, we have a feeling that we have sustained a loss that cannot easily be repaired.

Other workers it is true, may come in, and take their places, but these workers, if at work, must leave some other place to do it. When the harvest is great and the laborers are few, the loss of a laborer imperils the harvest.

Biddle University this year has suffered a double loss. Early in the term Rev. W. M. Hargrave, D. D., Prof. of Christian Evidences and Pastoral Theology sickened and died. Only a little later, in December last, although only sixty years of age, Dr. D. J. Sanders, President of the University, began to feel the burdens of his great work and his physical inability to bear them as in former years. Little by little as his strength left him, he lost his hold on life, and on the 6th of March of this year, he peacefully passed to his heavenly reward.

This was indeed a great loss, both to the University and to the whole work under our care. We have sustained no greater loss in the death of any one man, since the work began. He was known throughout the entire church, and respected by all for his sterling qualities. The Board feels profoundly, the difficulty as well as the responsibility of finding and naming his successor.

It is a touching incident in connection with Dr. Sanders honored career that his old mother, who was a slave for forty years, was permitted to live with him and take a motherly pride in her distinguished son throughout his whole course, only preceeding him by a few months to the better land.

It is gratifying to the Board to call attention to the success of the Woman's Department of our Board, which is also the Freedmen's Department of the Woman's Board—in securing so large a portion of the funds for which they planned at the beginning of the year, and for which they have labored assiduously and untiringly through the last twelve months. The total amount received by the Board for its work through this source is larger than that of any previous year with one exception, amounting in all, including money from Sunday Schools, Young Peoples' Societies and Women's Societies, to \$73,025.30. The Board

desires to put on record its appreciation of the zeal and efficiency of this Department.

The report of Mrs. V. P. Boggs, General Secretary of the Woman's Department is printed as an appendix to this report, and should be read by every one interested in any way in our work.

Rev. H. T. McClelland, D. D., Field Secretary, made to the Board at the close of the year his third annual report, only a portion of which is herewith reproduced, but enough to give some idea of the nature, extent and variety of his labors.

"Your Field Secretary attended and briefly addressed the Assembly at Des Moines. He attended and addressed, and cultivated as extensively as he could, the personal acquaintance of the Synods of Nebraska, at Lincoln; Minnesota, at Minneapolis; Kansas, at Phillipsburg; Missouri, at St. Louis, and Tennessee at Maryville. He also attended and addressed the Presbyteries of Clarion, Cedar Rapids, Chicago, Philadelphia, Washington and New Castle.

"In connection with these Presbyteries he addressed popular meetings in Linn Grove, Ia., Lincoln, Neb., Phillipsburg, Kan., Maryville, Tenn., and Pokomoke City, Md. He addressed a meeting at which the Presbyterial Society of Cedar Rapids was present; a meeting in Minneapolis at which many members of the Synodical Society were present; and addressed Synodical Society of Tennessee at Maryville, Tenn.

"The Field Secretary pleaded for our cause in the First, Westminster, and Memorial Churches of Cedar Rapids, Ia.; in the First and Lyons Churches of Clinton, Ia.; in the First and Castellar Ave. Churches of Omaha, Neb.; in the First and Second Churches of Lincoln, Neb.; in the First Church, Hutchinson, Kan.; and in the First Church Emporia, Kan. He preached also in the Fourth Church, Knoxville, Tenn.; and in the Fourth Church of Philadelphia, Pa.; and to a Union Meeting of the Presbyterian Churches of Bridgeton, N. J.

"By the kind arrangement of Dr. Geo N. Luccock of the Oak Park Church, Chicago, the Field Secretary pursued an extensive itinerary within the bounds of the Presbytery of Chicago, reaching several of the leading Congregations, such as Oak Park, Lake Forest, Second, Woodlawn Park, the Covenant, etc.

"He met personally, in our interest, most of the Pastors of our Churches in that great community, and besides wrote personal letters in behalf of our work to the majority of the Pastors and Sessions.

He took pains while in Chicago to discover individuals whom God has blessed with much substance, and with the grace of giving, and thus developed information which he trusts may yet prove very valuable to our cause.

"Through the efficient co-operation of the Rev. John M. Waddell, of Doylestown, Pa., the Field Secretary was enabled to carry out an itinerary which reached on Sabbaths and Wednesday evenings, with one or two exceptions, the stronger churches of the Presbytery of Philadelphia North. He found frequent opportunities, which he took, of speaking to Sabbath Schools, Men's Classes, and Young People's Meetings.

"Besides the work of the regular itineraries he presented, as opportunity offered, the cause on Sabbaths to such churches as that of Cambridge Springs, Pa., Beaver, New Brighton, Ambridge, Shields, Coraopolis, McKeesport, 1st Washington, Pa., 3d Monongahela City, Bridgeville, Waynesboro, Pa., Greencastle, Pa., Johnstown 1st, Sewickley, Indiana, Pa., Kittanning, Pa., Oakmont, Bellefield, Pittsburgh, Pa., Harlem and North Churches, New York, and Overbrook, Philadelphia.

"He lectured before the Brotherhood and a good body of their friends in the Ingram Church on the "New South." Whenever it was possible he spoke in connection with collections for our General work, but took every opportunity that offered, collection or no collection, to plead for wisdom, justice and mercy on the part of our people toward the Negro Millions of the South."

"The Field Secretary was instructed by the Board at the beginning of the year to appeal, as he might have opportunity for contributions to meet the conditions of Mr. Carnegie's offer to build a \$12,500 library building for Biddle, viz.: to raise \$12,500 for library endowment. He understood that in soliciting for this special object he must carefully guard the general income and by no means divert from that. Accordingly he planned to secure individual gifts for the library fund. And since Biddle is the one Negro College supported as such by our church, it was planned to make the appeal to many individuals throughout a large portion of our denomination.

"First, the Field Secretary learned through Dr. Sanders, that the constituency of Biddle in the South would be good for \$600. Then the whole amount was laid suggestively upon 1,000,000 members \$12.50 to a thousand. He secured formal action on the part of the Synods of Nebraska, Iowa, Minneapolis, Kansas and Missouri, approving the plan, and authorizing a canvas within their respective bounds for the amounts suggested for each

Synod. Then in each Synod named he secured a good man to canvass in his Synod. He then opened a correspondence with the Presbyteries east of the Synods named and north of Mason and Dixon's line and secured in forty-one Presbyteries the promise of the Chairman of the Committee on Freedmen or some other brother to conduct the quest in their several territories. Suitable literature and subscription forms were prepared by the Field Secretary and sent to the helpers, and the work begun. Besides these, appeals were made in Chicago, Pittsburgh and Philadelphia to individual givers. The matter was set forth in five of our Church papers simultaneously, and in one or two of them was favored and pressed editorially.

"So the work was begun and pressed until in March, when the Field Secretary learned of the falling off in general receipts, he turned his attention for the closing weeks of the year to stirring up through the mails the Churches that were probably delinquent and that might possibly be persuaded to help us out."

As appears from item 13 of the joint report on Union and Reunion, adopted by the General Assembly of 1906, this Board was charged jointly with the Educational Society of the Cumberland Presbyterian Church, with the responsibility of reporting to the General Assembly of 1907—"what may be done by the re-united Church for the further evangelization and education of the Colored people of the South and South West"—this action having particular reference to the needs and work of the Cumberland Church, colored.

Pursuant to this order, the two Boards have conferred at intervals during the year, through their executive officers, and moderate appropriations have been made by both Boards in behalf of the Educational work of the Cumberland Church, colored.

Looking to the work of the coming year, the Board submits to the General Assembly the following recommendation:—

That inasmuch as the corporate existence of the Educational Society of the Cumberland Presbyterian Church is likely to be continued through another year or longer, the General Assembly of the re-united Church shall authorize the Board of Missions for Freedmen to use the Board of Directors of said Educational Society, if so continued, and its Secretary as the Agency through which such assistance may be tendered to the Educational and Missionary work of the Cumberland Presbyterian Church, colored, as said Board of Missions for Freedmen, may deem proper.

In soliciting contributions from former Cumberland Presbyterian Churches for the work of the Board of Missions for Freedmen, said Board may concede to all said Churches the privilege of directing all their contributions for the purpose to be applied for the aid of the Educational and Missionary work of the Cumberland Church, colored.

The Board of Missions for Freedmen may make still further appropriations from its treasury as in its judgment the interests of said Colored Cumberland Presbyterians may require and the funds available will allow.

The manner of making such appropriations and the conditions imposed shall be left to the judgment of the Board of Missions for Freedmen, the same to conform as nearly as possible to the rules and regulations under which the ordinary work of the Board is conducted.

Particular attention is called to the need of special training in behalf of candidates for the ministry in this denomination. The Board feels that some special arrangement should be made, jointly with the authorities of the Cumberland Presbyterian Church, colored, whereby their young men preparing for the ministry may secure better training for their life work.

During the past year scattered Colored Presbyterian ministers belonging to several Presbyteries in Oklahoma have been formed into a Colored Presbytery. A question rose during the year between the Home Mission Board and the Freedmen's Board, as to whether the care of the work of this Presbytery belonged to the Home Board or the Freedmen's Board—a previous answer to an overture from Sequoyah Presbytery in 1903 having placed the Colored Churches of that region under the care of the Home Mission Board.

After a friendly correspondence, both Boards agreed to submit the matter to the decision of the Assembly, and a request is herewith made jointly with the Home Board, that the Assembly decide the matter for us.

To direct the growth and development of this people along the lines of honesty, purity, industry, sobriety, and an intelligent apprehension of their just obligations to both God and man; to instill into them that conception of human life and responsibility that is based on the teaching of our Saviour, that the first and great commandment is to love the Lord our God with all our heart, with all our soul, with all our strength and with all our mind, and that the second is like unto it, namely; that we should

love our neighbor as our selves—this surely must be no slight contribution toward the solution of what in some quarters is proclaimed to be the greatest problem this country has ever been called to solve.

Without the kind of work we have been and are now doing, along with other Christian Churches, we firmly believe all other kind of work proposed for the saving of this people is vain.

To build this people's future on any other foundation than that which rests on the fear and the love of God, is to offer them refuge in a house of wood, hay and stubble, which will surely be burned. With them as with any other people, their works shall be tried as by fire, and there is no other way of having wrought into their lives the gold, silver and precious stones that shall stand the test, than to teach them to build on Jesus Christ as the foundation of all that is worth living for.

The man who understands our work as we mean it to be—and our purpose—and yet assails it, must be bad at heart.

The good man that assails it, must do so because he does not know its character or its underlying motive. Sufficient time has elapsed since our work began to afford proof of its wisdom, or evidence of its folly. Looking back over the years that are gone; reviewing the field as it now presents itself; counting the faithful who in life and in death have borne their testimony to the gospel as the power of God unto salvation to every one that believeth; noting in the ranks of workers both men and women whose record is without reproach, whose characters are commendable, whose influence is helpful, whose work is enduring, we ask ourselves—what advance this race could or would have made but for the moral forces that have already made so many measurably good men and women?

Whence comes what is now referred to as the "better class" of Negroes? What made them a "better" class? The difference between them and the dangerous class is a difference in morals, a difference in character, a difference of aim in life. If there is even now a better class that not only disarms prejudice, but inspires confidence and respect, and oft times high regard—is this not proof that that influence which has already created a "better class," is the hopeful, helpful influence which should be strengthened than rather weakened, encouraged rather than hindered?

Five hundred and eighteen ministers more or less earnest in their efforts to persuade men to respect and turn to God and live, cannot but be an influence for good.

Three hundred and thirty-four teachers in daily contact with from thirteen to fourteen thousand pupils in our 115 schools, all of whom are professing christians pledged to do missionary work must be effective in turning many to righteousness. Surely our labor so far has not been in vain. The money we have expended has not been spent for naught.

Confident that in this work we are co-workers with God, and that we have been doing our Master's will, we make our report with heartfelt thankfulness. Although we meet, some times opposition, and oft times stolid indifference on the part of those from whom we fondly looked to for sympathy and aid, we are still thankful that we have been called to help those that need help; to lift up the hands that hang down; to strengthen the feeble knees, and to make straight paths for others' feet, lest that which is lame be turned out of the way; to preach the gospel to the poor, to heal the broken hearted; to preach deliverance to the captive, the recovering of sight to the blind, liberty for them that are bruised, and to proclaim the acceptable year of the Lord.

The term of service of the following members expires with this Assembly:

Rev. W. L. McEwan, D. D. Mr. Geo. B. Logan,
Rev. D. R. Breed, D. D., Jas. C. Gray, Esq.

We ask that they be re-elected.

**ACTION OF THE GENERAL ASSEMBLY
AT COLUMBUS, OHIO**

MAY, 1907.

RESOLUTIONS.

1. That the Assembly acknowledges and commends the fidelity of the Board, the Secretaries, and the laborers on the field, and the untiring devotion of the Woman's Department of the Board.

2. That the minutes of the Board be approved.

3. That the recommendation of the Board in regard to the contribution, the appropriation and distribution of funds for the educational and missionary work of the Cumberland Presbyterian Church, colored, be adopted, as reported in full in the Annual Report of the Board.

4. That the Assembly in answer to the request of the Boards of Home Mission and Freedmen to decide whether the colored Presbytery formed during the past year in Oklahoma shall belong to the Home Board, or the Freedmen's Board, hereby places said Presbytery under the care of the Freedmen's Board.

5. That the re-united Church be urged to contribute this year for this Board the minimum of \$300,000, the amount of which has been set as a standard for years past, but not yet realized, and that an immediate crusade be begun in all Synods and Presbyteries to secure this amount.

6. That the General Assembly records its grateful appreciation of two of its faithful missionaries who have been called home during the year, both of Biddle University—Rev. W. M. Hargrave, D. D., Professor of Christian Evidences and Pastoral Theology, and Rev. D. J. Sanders, D. D., President. Of Dr. Sanders the Board says: "We have sustained no greater loss in the death of any one man since the work began. He was known throughout the entire church, and respected by all for his sterling qualities."

7. That the comprehensive and excellent report of the Board be commended to the careful study of all pastors and sessions, as the basis for an aggressive campaign in the interests of the Africo-American Missions.

8. That the present year be made one of special prayer by the re-united Presbyterian Church, that God will lead us on to larger things for the new South, and that He will guide white and black alike in this great crisis of our history.

9. That the following members of the Board whose term expired with this meeting of the Assembly be re-elected, viz: Rev. William L. McEwan, D. D., Rev. David R. Breed, D. D., Mr. George B. Logan, and James C. Gray, Esq.

In behalf of the Committee.

JAMES M. WILSON, Chairman.

Attest, WM. H. ROBERTS, Stated Clerk.

TWENTY - THIRD ANNUAL REPORT
OF THE
FREEDMEN'S DEPARTMENT
OF THE
WOMAN'S BOARD OF HOME MISSIONS

513 BESSEMER BUILDING, PITTSBURGH, PA.

"Safely through another year, God has brought us on our way."

In grateful acknowledgement, therefore, of His loving kindness and tender mercy which has accompanied us every step of the journey, and with a hearty appreciation of the generous support of the various organizations of the Woman's Board of Home Missions, we present to you the 23d Annual Report of the Freedmen's Department.

FINANCIAL.

The receipts for the year 1906-1907 were \$73,025.30, which as compared with last year show an increase in contributions of \$2,115.37. It is very encouraging to have regained lost ground.

Of the total amount received \$54,439.43 came from Women's Societies; \$5,330.16 from Sabbath Schools; \$10,672.44 from Young Peoples Societies; \$2,583.27 from Miscellaneous sources; while \$182.41 came from Women's Societies direct to the Board.

This money has been applied to the educational work of the Board as follows: Teacher's Salaries, \$22,787.40; Scholarships, \$19,922.05; Building Fund, \$15,000.00; and General Fund, \$15,315.85, the last named fund being applied to salaries not especially provided for and general running expenses of the schools not met by Scholarship fund.

We are indebted to the Women's Societies for the advance made this year, the increase amounting to \$2,805.71. The number of Societies contributing was 2966—which is eleven less than last year. The number of Sabbath Schools contributing through the Woman's Board was 436, or 2 less than last year. A slight

advance of \$57.44 was made which was more than offset by a falling off in gifts direct to the Board from this source. As generous gifts to our work, came from several schools this year, for the first time, a number of those previously contributing failed to make their usual offering to the Freedmen, and therefore the falling off in number. Every possible effort has been put forth by our department to interest and enlist the Sabbath Schools in this important branch of Missions. The Secretary's letters to pastors and superintendents with instructive programs and other literature have been sent in quantities to every presbyterial secretary, they in turn sending to each school, often with a personal letter to the superintendent. We are glad to note that many of the appeals have met with a cordial and hearty response. For these we are truly grateful and trust for their continued support; but where, oh, where are the more than 7,000 schools which fail to recognize any obligation to this most important Board of the Church.

The receipts from Young People's Societies show a falling off of \$603.03. This is a continued decline on the part of the Young People of our Church, which, taken with that of last year, makes a loss to our work within two years of \$1,347.49, with a loss in number of societies of nearly two hundred. While this decline is to be deplored, we do not attribute it to a lack of interest on the part of the Young People. They, as a rule, are ever ready to respond when the cause is presented. That it has not been presented and pressed as its importance demands, is, we believe, due to the fact that the duty of the young peoples secretaries in connection with their branch of Missions is not clearly defined. In some cases, the Young People's Secretary expects the Freedmen's Secretary to present the work to her Societies, or the reverse is the case. As a result, neither Secretary having been instructed, the work is not presented, and is therefore lost sight of or dropped. A definite arrangement by each Presbyterial Executive Committee, as to which of the Secretaries will be responsible for this branch of the work, will we believe prove an effective remedy for this failure, and will bring about a forward movement for Freedmen among the Young People of our church which will prove a blessing to them and to the cause. Such a movement, we are confident, will in no wise lessen the gifts to other lines of Mission Work, but rather increase them. For, "there is that scattereth and yet increaseth, and there is that withholdeth more than is meet yet tendeth to poverty."

Contributions have been received for the work of the Freedmen's Board from every Home Mission Synodical Society, twenty-nine in number. Twenty-two of these made an advance over last year. At the beginning of the year each Synodical Society was asked for a definite sum, the amounts based upon the gifts of each the preceding year, with a margin for advance. While more than two-thirds increased their gifts, but four reached the apportionment, viz: Colorado, Indian Territory, Oregon, South Dakota. None, however fell very far short of the amount asked, and these will probably have attained by the end of the Synodical year. It is worthy of special mention that California, to which on account of its recent great calamity, no apportionment was given, and from which contributions could not reasonably be expected, at most beyond definite pledges, has closed the year not only without a deficit, but with an advance of more than \$200, and we are encouraged to hope for a still further advance the coming year.

One contribution, which was most inspiring, came from the "Little White Mother and her beloved Indians" of the Blackfoot Reservation in Idaho, for their "Brethren in black."

BOX WORK.

Many valuable boxes have been sent to our field this year, containing household supplies of bedding, table linen, carpet, rugs, and material for the sewing department of the day-school. Quite a number of real Christmas boxes have also been sent, which have carried with them joy and gladness to the recipients. The total number reported was eight hundred and eight, comparatively few placing any value upon them. Total of valuations given is \$6,604.00.

BUILDINGS AND IMPROVEMENTS.

Several buildings have been completed during the year. The Helen A. Wells building in connection with the Mary Potter School at Oxford, N. C., to be known as Wells' Hall of Domestic Science was ready for occupancy the latter part of December. It was erected at a cost of about \$10,000, all of which was contributed by the Societies of New York Synodical and stands as a testimonial of their love and esteem for their Freedmen Secretary, Miss Helen A. Wells, for whom the building is named, and also of their interest and appreciation of the needs of the colored girls

in the South. The building is of frame, four stories including a basement, the latter above ground sufficiently to be well lighted, and contains a large dining room, kitchen, cooking class rooms, laundry, ironing room and the necessary store rooms and pantries. The second floor contains a large assembly room which will be used for study, and reception room, office and nine bed-rooms. The third floor is entirely given to dormitory purposes, containing sixteen rooms, while the fourth floor is divided into seven apartments, each of which will accommodate four girls. The building will be dedicated early in May, and this school we believe, will enter upon a new era of prosperity the coming year, better equipped for thorough efficient work than heretofore.

The building at Cotton Plant, Arkansas, has, after many delays at last been completed and was ready for occupancy in January. The building is of brick, two stories, and contains thirty rooms for dormitory purposes, besides an office and rooms for the President's family. The cost was about \$10,000, which was furnished by the Western Synodical Societies; \$1,000 of the amount being contributed by the first and second churches of St. Louis. This building will be known as Nicolls' Hall, in honor of Rev. S. J. Nicolls, D. D., pastor of St. Louis second church and a warm friend and supporter of the school.

The McClelland Academy building, the fund for which was raised by Pennsylvania and completed more than a year ago, is now in course of construction, and will be ready for the opening of school the coming fall. It is to be of frame structure, two stories, and contain the necessary class-rooms and an assembly room and will afford ample accommodations for a large number of pupils. This school was never in a more prosperous condition than in the year just closing and has a promising future.

Ingleside Seminary, which so unfortunately was destroyed by fire a year ago, is being rebuilt and will be completed ready for refurnishing about the first of July. No especial appeal was made for rebuilding funds; the insurance on the former building and furniture, \$23,000, and the income of the School for the year for which it has been closed has been applied to the rebuilding. The new structure will have the same accommodations as the former one, but much of its attractiveness, notably its porches, and many conveniences will be lacking. Voluntary offerings coming from Societies will aid in the refurnishing, for which there is no provision and will be highly appreciated. Over four-

teen hundred dollars has been received and designated as part of the special building fund for the year, and can be applied to the furnishing if not consumed in the building.

To build, equip and maintain the many schools under the care of the Freedmen's Board has required energetic and continuous effort along the line of securing funds. The raising of funds for this work has devolved largely on the Woman's Department and the demand is ever increasing. As fast as one building fund is completed another is substituted. A special fund not completed one year is continued the next. As no building is erected until the required amount is in the treasury the appeals sometimes becomes monotonous and objections are made that societies have become tired of that special. It is only necessary to remind them that it is by so doing that a debt is avoided and we hear no further objections.

The Kendall building and improvement fund of \$5,000.00 continued from last year has been completed and a building will be erected as early as practicable. The improvements including fence, painting, repairing and refurnishing, were made in the fall. This work was made possible by means of a special gift of \$500.00 given by personal friends of Mrs. Kendall for this special work. The President writes in regard to the disposition of this special gift. "We have enclosed our lot, including all of our buildings with a wire fence, which adds much to the general appearance and has called forth many favorable comments. With this improvement, the new chairs in the chapel, and extra desks for class rooms, we are comparatively happy, but are waiting as patiently as possible the new dormitory and more teaching space, one class room has this year 150 pupils with comfortable space for not more than 60."

We are happy also to drop from the schedule of last year the Birmingham building, for which the required amount, \$5,000.00 has been secured, the money coming from New York and the Western Synodical Societies. Plans for this new structure are now in the office and will be considered at an early day.

The \$1,000.00 needed for a school building at Walterboro, S. C. has also been secured, Ohio Synodical making this their special extra object for the year.

The only building fund to be carried into the new year is that for Albion Academy at Franklinton, N. C., where a new building is a necessity, in place of the proposed enlargement and repairing of the girls dormitory and boarding house, as early in February the two structures mentioned were entirely

destroyed by fire. The fund therefor, which has been collected this year for repairing will be applied to the erection of the proposed new building, which will combine a girls dormitory and boarding accommodations for the entire school. It may be of interest to know that notwithstanding the destruction of the two buildings, the school work went on without the loss of a day. The Farm Home Fund, for which \$10,000 was asked will also be continued as a part of the work for the coming year. About \$2,000 is in hand for this enterprise. As there have been many expressions of interest in this work and a hearty indorsement of the plan proposed, we hope to see the entire amount necessary for the undertaking, in the treasury at the close of the coming year.

Besides the special work assigned, several Synodicals have given extra gifts to other lines of work. Illinois Synodical has raised one thousand dollars as a memorial to Miss Mary E. Holmes, the former secretary for Freedmen of the North West and also of the Illinois Synodical. This will be invested as permanent fund and applied to general Scholarship in Mary Holmes Seminary. Fifty dollars was also sent in by the same Society as advance income from another one thousand dollars which it is proposed to raise the coming year as a permanent Scholarship in the Nurse Training Department of the same school. This branch of study has been made a special feature of the course in this school.

The other Synodicals of the North West with Kansas and Missouri have also sent contributions amounting to nearly five hundred dollars to be applied to a permanent Memorial Scholarship to Miss Holmes in the same school. It is the purpose of these Synodicals to bring the amount up to one thousand dollars.

New York Synodical, has, in addition to Specials assigned, furnished Wells Hall at an expense of nearly sixteen hundred dollars. Albany Presbyterial, Miss Wells' home Society, of which she has also been Freedmen's Secretary, has provided furnishings for twelve students and five teachers' rooms, besides nearly two hundred dollars towards the heating plant. The Assembly and reception rooms are memorials to two sainted workers, formerly of Rochester Presbyterial, and a personal friend of Miss Wells of the Niagara Presbyterial has provided the furnishing for the dining room and cooking class rooms.

SCHOOL WORK.

The schools under the Board so largely dependent upon the gifts from Home Mission Societies for their support must ever be regarded as a most necessary and effective agency in the work of evangelizing the Negro. Reaching out as they do after the ignorant, the neglected and oft times degraded boys and girls, they bring them under a course of discipline and training which they could not otherwise receive, and which under the blessing of God regenerates them morally, intellectually and physically. Many hundreds have, by means of the training thus received, become a power for good in the home, in the church and in the community.

One hundred and fifteen schools have been in progress during the year. These are of all grades from University to Parochial, and include both boarding and day schools. The total enrollment this year of pupils was about 14,000 and the contributions for support from patrons and students were \$48,171.64. It is a policy of the Board where school is carried on to require the people to pay as far as they are able for what they receive, and there can be no stronger proof of the desire of the Negroes for the education of their children than the self-denial and privation they will endure that their boys and girls may attend school. Two additions have been made this year to the list of parochials supported by Societies; one at Knoxville, Tenn., which has been aided by Missouri Synodical, the other at Mebane, N. C., which has been adopted by the Young People and Sabbath Schools of California.

The year has not passed without the usual evidences of the transforming power of the Gospel. That "the entrance of the Word" which is studied day by day in all of our schools, "gives light" to the darkened minds of the Negro boys and girls and life to their souls, is proven again and again in the changed lives of the students who come under the influence of our teachers, and many go out each year to take their places as an uplifting force in the church and community where their lot is cast.

It is with sorrow and regret that we record the death of Rev. D. J. Sanders, D. D., who for fifteen years was the honored President of Biddle University. On the 6th of March after a long illness he was called to his reward. His familiar presence will be seen no more at the General Assembly of our Church, to which he came each year as a representative of the Institution, over which he presided with untiring devotion and ability.

From a human standpoint the removal of Dr. Sanders seems an irreparable loss to the Board and to the church, but especially to his own race of which he was so noble a representative. Truly a great man and a wise and capable leader has been taken. "He rests from his labors", and the question so frequently asked "who will take the vacant place" is yet to be answered.

Aside from the removal of Dr. Sanders there has been but one change in the Presidents of our Institutions. Rev. T. H. Ames, D. D., who, for fourteen years was President of Harbison College, resigned his position and has been succeeded by Rev. C. M. Young who was in charge of church and school at Rock Hill, S. C. This school which was interrupted for a time has been in progress since February first, and it is the hope of the Board that it may, the coming year, be fully restored to its former high position as one of its most successful schools.

All things considered, the school work of the Board is in a healthy and hopeful condition. Every boarding school is full to overflowing, with long waiting lists, and many of the day schools are pleading for boarding departments, that they may receive students desiring to come from the rural districts. Some of the pupils now attending these schools walk from six to ten miles daily.

The graduates from our boarding schools are most creditably filling the places in the public schools and the demand for these is greater than the supply.

The only discouraging feature of the work is lack of sufficient funds to plant more schools in destitute communities of which there are many throughout the South and to strengthen by better equipment those already planted. This last we are doing each year to the extent of our limited resources.

The Woman's Board continues to favor our department by devoting the April number of the Home Mission Monthly to the interests of the Freedmen. This is a splendid contribution each year of valuable space, time and effort with no small expense—a gift which is most highly appreciated by the Freedmen's Board. Also the Children's Magazine "Over Sea and Land" has its Home Mission space each April filled with charming stories, interesting items and valuable information in regard to this department of Missions.

The Assembly Herald every month has two or more pages filled with interesting articles, letters from the field, valuable facts and news items, all of which should be helpful in awakening and stimulating interest among the multitudes of Presbyterians

who know little or nothing, or are entirely indifferent to this cause, and its pressing needs; leaflets by thousands have been circulated all over the land bearing upon every phase of the work. It was a great privilege to have committed to us the preparation of the program for "Christian Endeavor" and Young People's Societies for the March meeting of these organizations, the topic assigned being "Missions among Freedmen"—"The Progress of the Afro-American"—We are most grateful for this opportunity of reaching so many young people and trust it may be repeated each year. Ten thousand copies of the program were sent out in response to requests from every part of our land and we are hopeful that they may be the means of calling the attention of the young people of our church to the connection between this cause and every other department of Mission work, that it is as much their duty to give the Gospel to the "Afro American" as it is to give it to any other race of people—they are surely included in the "All" for whom Christ died.

In the line of Mission study, a book is in course of preparation, which will be a valuable help in the study of the topic for March and April. It is being prepared by Dr. S. J. Fisher, President of the Freedmen's Board and will be issued during the early summer.

The stereopticon views of our schools and their work have been widely used and are an education in themselves. The work has been presented most earnestly and faithfully by voice and pen in every Synodical and Presbyterial Society and should result in an increasing and more general interest the coming year. The Freedmen's Committee composed of ladies from five Presbyteries adjoining Pittsburgh have met each month, for ten months of the year, for prayer, conference and counsel, and by their sympathy, their prayers, as well by their gifts have been a support and an inspiration.

The negroes of our churches in the South are lengthening their cords and strengthening their stakes with a view to more active and aggressive work than ever before. They seem anxious to give, as freely as they have received the Gospel, which has done so much for them; and no sacrifice seems too great, or labor too arduous, that they may advance the cause for which they work and pray. Their gifts to church and school are a surprise to all who know of their meager incomes. The amount contributed for support of churches this year was \$48,241.20; for school purposes \$57,171.64. Their gifts to the Boards of the church call for no small self-denial. To the Mission fund of the Freedmen's Board, the contributions were \$760.59 and to the

other Boards of the church \$1,722.34. The Women's Societies sent \$197.59 to the work of our department and have also contributed to both Home and Foreign Missions. Many of the churches are struggling towards self support and some attain to this each year.

With this comparatively brief report of the work of the year we close the record and enter upon the new year with renewed zeal and earnestness, yet realizing as never before that "Neither is he that planteth anything, neither he that watereth; but God that giveth the increase."

Respectfully submitted,

(MRS.) V. P. BOGGS,

General Secretary.
